TERMS AND CONDITIONS OF SALE

Warranty This equipment is warranted against defects in the material and workmanship for a period of one (1) year from the date of delivery. During this warranty period, Ennis-Flint will, at its option, repair or replace any defective product or part. Defects resulting from inadequate maintenance, unauthorized repair or modification, misuse, improper storage and normal wear and tear shall not be covered under this warranty.

Normal wear and tear items include, but are not limited to, batteries and lamps unless it is established that the performance of these parts is not according to the product specifications. No other warranty is expressed or implied. Ennis-Flint specifically disclaims any implied warranty or merchantability and fitness for a particular purpose. Ennis-Flint shall not be liable for any direct, indirect, special, incidental or consequential damages resulting from any material or workmanship defects.

Payment Seller's prices are calculated on a "cash with order" basis. Therefore, all orders are COD unless credit is already established by an acknowledged credit application. Terms on established credit accounts are net on presentation. Balances unpaid after 30 days from invoice are subject to a service charge of 1.5% per month or maximum allowed by law, if different, together with expenses incidental to collection, including specifically set forth reasonable attorney's fee of 20% of unpaid balance.

Taxes The price of the products specified herein excludes any federal, state, or local taxes. The Buyer is responsible for any federal, state or local taxes that apply. The Buyer agrees to reimburse the Seller for any taxes that might be ultimately obligated to be paid as a result of this sale which normally would have been collected at the time of sale.

Important Notice Should a product prove to be defective or unsuitable in any way, it is understood that the Seller's and Manufacturer's limit of liability for all damages, including but not limited to, direct, incidental or consequential injury, loss or damage arising out of the use of or the inability to use the product, shall be to repair the defective product or to provide an equivalent quantity of replacement product. Before using, the Buyer shall determine the suitability of the product for his or her intended use and the Buyer assumes all risk and liability whatsoever in connection therewith.
